M1W - Injection Well Phase II																										
Pre-Construction																										
Survey for TCE and Clearing Limits										X																
Biological Raptor/Woodrat Survey											X															
Legless Lizard Survey 1															X											
Mobilize Equipment												x	x	x	x	x										
UXO/Biological Training																	X									
Clearing & Installation of SWPPP BMP's																										
Clear for Installation of TCE Silt Fence																	X	X								
Install Silt fence @ TCE																		X	X							
Clear Site																		X	X	X						
Install Stabilize Entrace/BMP's																	x	x	x							
Site Grading																										
Construction Staking - Rough Grade																				X						
Prepare for Fills @ Well Site 3 & Electrical Site																				X	X					
Grade - Cut to Fill Perc Basin to Well Site 3/Electrical Site																					X	X	X	X	X	X
Grade Slopes & Finish Pads																										
Grade Slopes & Finish Perc Basin																										
Monitoring Wells																										
Mobilize Direct Rotary Drill Rig @ Well Site 3 (June 4th)
