

Notes on viewing PDF files contained on this section of the website

Due to the extensive use of bookmarks in the pdf files on this section of the website for the navigation between different sections of the pdf files, please note the following actions that will need to be taken to view these bookmarks within the pdf files for the internet browsers listed below:

Internet Explorer

Right Click on the document, click on “Show Navigation Buttons”, click on the “Bookmarks” Icon on the toolbar to the left of the web address line

Chrome

Click on the “Bookmarks” Icon on the toolbar below the web address line

Firefox

Click the “Toggle Sidebar” Icon on the bar below the web address line, then click on the “Show Document Outline” icon

Opera

Click on the “Bookmarks” Icon on the bar below the web address line

Microsoft Edge

Click on the “Table of Contents” Icon on the toolbar below the web address line

Safari on Ipad

Copy to Adobe Acrobat, click on the bookmarks icon on the bottom of the screen
